

The SNDP gains the "Air France-KLM "tender.

The SNDP has been awarded recently an important tender of “Air france-KLM” group Jet fuel requirements for 2010/2011. By this award, SNDP Agil Air will be the official supplier of Air France-KLM aircrafts on all Tunisian airports.

This success is the result of a high level of professionalism and services quality offered by the SNDP in a very competitive environment.

The volume is about 15 thousands of cubic meters of kerosene Jet A-1 and 13 million Tunisian dinars.
